Subject: Libby Meeting Week - Week of October 17th

Rebecca:

Talking to you today made me start thinking about the schedule for the week of Oct 17th. I know! Way too early. ☺ Mark C. is also thinking about coming up to Libby that week but I think he'd like to only come up for a day or two as well. Mike—FYI, if you need Mark for CFAC.

Tentative Meeting Ideas:

- Meeting with DEQ and Lincoln County on draft IC manual
- Meeting with DEQ on O&M issues (OU5 and site-wide)
- Possible follow-up meeting with County as well on O&M issues
- Possible meeting with DEQ, County, and Port Authority on OU5 O&M topics (if DEQ is ready for that by then)
- There will probably also be a TAG meeting on Tuesday, Oct 18th (Mostly OU3 topics so far)

I also have an environmental covenant negotiation meeting on Wednesday, Oct 19th if you would like to join—Mark C. will be there and Mike is interested in going as well. Also, Tom Stoops will be in town Tuesday and Wednesday this week. See, there's plenty to do! ;-)

Thanks for your consideration,

Dania Zinner
